

## Hunt Library Computer Researcher Pass

Allows access to library workstations for a 1 week period.

Must have permission form signed by Librarian.

Times out electronically at end of the week period.

### Responsibilities & Terms of Use

#### I will:

- Take personal responsibility for the use of this ID and password.
- Maintain the security and confidentiality of this ID and password.
- Respect copyright agreements and intellectual property ownership.
- Relinquish computer when requested by library staff member for student use.

#### I will not:

- Use library computing resources for any business or commercial purpose.
- Engage in improper or illegal communications, such as obscenity, libel, harassment, forgery, or threats.
- Send a mass mailing that is solicitous in nature.
- Make excessive use of system or network resources or prevent others from having access to them.
- Violate local, state or federal laws, such as the distribution of copyright-protected materials.
- Release malware such as virus, Trojan horse, worm, etc. intended to disrupt other users, damage software or hardware, disrupt network performance, or replicate themselves for malicious purposes.
- Tamper with, willfully destroy or take any computer equipment, whether it belongs to the university or to an individual.

I agree to defend and indemnify Carnegie Mellon University for any and all claims arising from or connected with my use of Carnegie Mellon computer systems. I have read and understood these terms. I am 18 years of age or older.

### NOTE

Hunt Library welcomes guest users during open hours between 8 am and midnight.

**All guest users must leave the building at midnight (or earlier closing).**

Between midnight and 8 am, the library is open to the CMU community only.

Valid CMU photo ID is required.
